

The Learning Journal in Action

A Ha! Moments	Reflective thinking	Commitment to action	How will you assess the results?
<p>Recording a rich description of the direct experience in as great detail as possible, engaging all the senses and feelings</p>	<p>Thinking ABOUT the experience, and what it might mean, could mean, from many different perspective, concluding with a narrative that leads you towards action</p>	<p>ACTION orientation: what will you do about these new insights, sense-makings? How will you put it into action? With what priority? With what intended outcome? Where are the risks & rewards? What's the consequence of doing nothing?</p>	<p>Respect for outcomes as evidence How will you measure? How will you interpret? What's the scale?</p>
